

This is Carl Telfer's life, This is security.
Caught on my cameras, there's no escape from Authority!

I'll be your eyes, and it's no surprise.... To me.
I'll catch the burglar, give you the evidence
Because it's easy come, easy go, ducks the fence, he's too low
Any way the criminal goes, doesn't really matter
To me..... and my CCTV.

Steve B.....just caught a man! Placed my lens upon his
face.

Then the police he had to race.

Mike S.! His sentence just begun, and now he's gone and
thrown his life away

Adam! Ooooooo, He did not want jail, he sometimes wished he'd
never been caught at all.....

I saw a little silhouette of a man, shall we go shall we go?
Will the cops just let him go. Cameras are brightening very very
frightening him!
